

*A NEW political party to refocus the agenda! "We don't want to be 'LIED TO', nor to be undervalued again."
-Allen E. Nutik, Party Leader*

Salient Referendum Questions from AffiliationQuebec. Following publication of the Grenier Report.

- 1) There existed a "Conseil de la Souverainete" from 1994 to 1996. How much did this organization spend supporting separation, and how much was spent illegally?
- 2) The separatist Parti Quebecois government of the time operated in full separation mode prior to the referendum. Over and above, Government ministers and their staffs worked full time, including extensive travel to promote the separatist option, all at public expense. This **MUST** be taken into account!
- 3) Quebec courts have not permitted public examination of the secreted, retained 1995 referendum ballot boxes which will help to understand the full extent of the alleged, rampant fraud by the separatists.

AffiliationQuebec is a new political party formed to actively pursue the Full rights and interests of staunch Canadians living in Quebec
