Just say NO to Quebec Nationalists

Montreal, Oct 22, 07
For Immediate Release:

"There will be no end to antidemocratic and discriminatory demands from Quebec Nationalists until someone in authority firmly says NO," according to AffiliationQuebec leader, Allen Nutik.

Nutik commented in response to recent PQ and Bloc initiatives calling for an unnecessary Quebec constitution, even more radical language proposals, and a renewed call for Parliament's recognition of French as Quebec's only official language.

Nutik called on all Federalist leaders to stop giving the nationalists in Quebec enough concessions to rationalize eventual separation from Canada.

Quebec now opts out of so many Federal Government programs that national standards in Canada are lacking in many areas from education, social services, health care, immigration, to name a few.

The recent ratcheting up of nationalist rhetoric, in addition to continued racist presentations before the Bouchard Taylor Commission on reasonable accommodation, underscores the necessity of AffiliationQuebec, a new political party formed to pursue the full rights and interests of staunch Canadians living in Quebec.

Allen E. Nutik is leader of AffiliationQuebec a newly formed, Quebec political party focused on minority rights.
