Status in Quebec under Assault!

Minority Quebecers and Anglophones may not have noticed, but our status in Quebec and as Canadians is under fresh assault as never before.

AffiliationQuebec expresses deep concern over the probable loss of "trial rights" for both Anglo and Franco minorities in Canada, coupled with the latest nationalist assaults on minority Quebecers, not to forget the negative effects of the Jean Charest, Liberal appointed, Bouchard-Taylor Circus, and the continued uncertainty at the Montreal Children's Hospital.

"Is there any elected representative in Quebec or Ottawa who is actually "on watch" for the rights of minority Quebecers?", asks AffiliationQuebec Leader, Allen Nutik.

These concerns underscore the valid reasons for the creation of AffiliationQuebec as a new political party established to pursue the full rights and interests of loyal Canadians living in Quebec.

Allen E. Nutik is leader of AffiliationQuebec a newly formed, Quebec political party focused on minority rights.
