

*A NEW political party to refocus the agenda! "We don't want to be 'LIED TO', nor to be undervalued again."
-Allen E. Nutik, Party Leader*

We need to see those ballots!

Montreal, Jan 21/08
For immediate Release

AffiliationQuebec expresses a deep concern that the probable destruction of the 1995 Quebec referendum ballots before careful examination would constitute a victory for the alleged Quebec nationalist fraud on Canada.

Both Federalists and nationalists should understand the extent of shame, trickery, and truth those hidden ballots hold; and therefore, for Quebec separatists, the reason they must never see the light of day.

Destruction of those ballots before examination is an action that AffiliationQuebec absolutely deplores.

Allen Nutik is leader of AffiliationQuebec, a newly formed, Quebec political party formed to actively pursue the full rights and interests of staunch Canadians living in the Province of Quebec.
