Quebec Language Cops Take on the Irish!

Montreal, Feb 15, 2008
For Immediate Release:

"Inspector Clousseau and the Keystone Language Cops have struck again, this time at downtown Montreal's, McKibbins Irish Pub." Quips AffiliationQuebec Leader, Allen Nutik.

"Good reasonable Lord," intones Nutik, "It's an Irish pup! Beer and fun is supposed to be spoken here," an oblique reference to the small-minded application of Quebec's discriminatory language and sign law, Bill 101.

The AffiliationQuebec Leader indicated that the Charest Liberal Party's strong support for the "petty" OLF, and the absolute silence of it's English Members of the National Assembly should speak very loudly to former Liberal voters.

"AffiliationQuebec is beginning to look like an excellent alternative to the disappointing Quebec Liberals," says Nutik, who adds, "Fight on, McKibbins Irish Pub, AffiliationQuebec stands firmly with you!"

Allen Nutik is leader of AffiliationQuebec, a newly formed, Quebec political party formed to actively pursue the full rights and interests of staunch Canadians living in the Province of Quebec.
