AffiliationQuebec Leader, Allen Nutik expressed severe disappointment over the national party leaders debate held in French on Wednesday night, October 01, 2008.

Nutik said, "This was a debate about Quebec and its rights, not about Canada."

"And in the crush to pander for nationalist and separatist votes in Quebec," Nutik pointed out, "a lot was said about Quebec and Quebecois rights, but not one word about the abrogated, inherent Canadian rights of language, signs, education, and access denied to more than one million loyal Canadians and minorities who live in the Province of Quebec.

"It was a recipe for the impending balkanization of Canada, the cost of continued appeasement of Quebec, and the abandonment of Quebec's Anglophones and other minorities as the acceptable victims of so-called Canadian unity," according to the AQ Leader.

AffiliationQuebec is an official Quebec political party formed to represent the full rights and interests of loyal Canadian citizens and minorities living in the Province of Quebec.
